

**SCOPA 113<sup>th</sup> Annual Meeting LIVE Stream Online CE**  
**19 Hours of CE Available (COPE Approved)**

On July 15, 2020, the SCOPA Board of Directors made the very difficult decision, after several long discussions, to convert the SCOPA Annual Meeting to a LIVE online virtual stream CE. With having been faced with many challenges, some of which include speakers having to cancel due to COVID-19 quarantine scenarios, a steady increase in COVID-19 cases in SC, our state being placed on a quarantine list for travelers and parts of the state being considered hot spots; the SCOPA BOD feels that this is the safest way to proceed.

If you have already registered and did not receive the e-mail with updates, as well as refund information, please e-mail BOTH Jackie ([jrivers@sceyedocors.com](mailto:jrivers@sceyedocors.com)) AND Anna ([abalderson@sceyedocors.com](mailto:abalderson@sceyedocors.com)).

Thank you in advance for your patience during these unprecedented and constantly changing times, and we look forward to your participation in SCOPA's first ever LIVE virtual stream online CE!

**LIVE Virtual Stream Online CE Registration Rates**
